

THE CLAY CITY TIMES.

50 Cents a Year in Advance.

We are here to help Clay City, the Surrounding Country and Ourselves.

J. E. Burgher, Publisher.

VOL. 8.

CLAY CITY, KY., THURSDAY, SEPTEMBER 24, 1903.

NO. 39.

Irvine Items. [Irvine Herald.]

Robt. Blackburn, of Stanton, was in town Monday.

Mr. and Mrs. D. A. Wallace left for Cincinnati Monday for their fall stock of goods.

Fred Ashcraft has returned from Hamilton, Ohio, where he was employed in the paper mills there.

The Court Day dinner given by the ladies of the Christian church was fairly well patronized, and a handsome sum was realized.

Albert Easter, of Clay City, who is a candidate for the Democratic nomination of Representative, attended the convention here Monday.

Miss May Grinstead and Dode Wilson, who have been on quite an extensive visit with relatives in Afton, Indian Territory and other points in the west returned Saturday.

James Tuggle killed a fish hawk Tuesday at the mouth of Dog creek which measured six feet from tip to tip. The bird, when discovered, was feasting upon a fish that would weigh a pound and a half.

J. E. Burgher, editor of the Clay City Times was among the visitors here Monday, and honored the Herald office with a call. Mr. Burgher is a typical county

newspaper man, of the peculiar sort that has met with success.

Western Visitors.

This is the season of the year, when friends and relatives who have emigrated to the West seeking fortunes and fame, return to their "Old Kentucky Home" to see old acquaintances, and to take a view of the old hills over which they used to romp and the brooks in which they used to play. They all say many changes have taken place, and the country doesn't look the same. We always welcome them to our homes and are glad to see them come, but it is sad again when they leave for their Western homes.

Many of these people are doing well since they left Kentucky, and they would have done well here; Some have financially been failures in the West, and would have been the same in their native state. Success lies within the individual where ever he may be. The country really has but little to do with it.

Beckham in the Mountains.

Governor Beckham spoke to large crowds at Frenchburg Tuesday and Hazel Green yesterday. In the Tenth district as in the rest of the State, he finds an abundance of enthusiasm and a strongly united party. In this district, Hopkins' majority of 3,500 or more will be rolled up for the State ticket this fall.

Jett to Hang.

Curt Jett has been found guilty by the Harrison county jury trying him for the murder of Jas. Cockrell at Jackson and fixed his penalty at death.

L. and E. Extension.

A letter from Attorney Jouett, of the L. & E. Railroad, states that the chief engineer will be in this city Monday to decide on the route for the L. & E. extension. When this matter is settled work will at once be begun on the road and it will be pushed to completion.—Mt. Sterling Gazette.

A Boy's Wild Ride For Life.

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs, and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at Swann-Day Libr. Co's. store.

In the local option election at Louisa, the drys won by a majority of 80 votes.

Bucken's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for Cuts, Corns, Burns, Boils, Sores, Felons, Fever Sores, Chapped Hands, Skin Eruptions; infallible for Piles. Cure guaranteed. Only 25c at Swann-Day Libr. Co's.

Hart Nominated.

The convention met in Mt. Sterling Monday to nominate a Democratic candidate for Railroad Commissioner. Rolla K. Hart, was given the nomination by acclamation.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies. "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Guaranteed by Swann-Day Lumber Co.

Notice to Delinquents.

We are revising our subscription list and expect to drop many who owe for two or more years subscription unless they soon come forward or send forward the amount they owe. We will send statements to all such delinquents in a few days. Send amount by money order or two cent postage stamps where the amount is less than one dollar.

Below are the subscription laws by which we will collect:

1. Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscription.

2. If subscribers order the discontinuance of their periodicals the publisher may continue to send them until all arrearages are paid.

3. If subscribers neglect or refuse to take their periodicals from the postoffice to which they are directed they are responsible until they have settled their bills and ordered them discontinued.

4. If subscribers move to other places without informing the publishers and the papers are sent to the former address they are held responsible.

5. The courts have decided that refusing to take periodicals from the office or removing and leaving them uncalled for is prima facie evidence of intentional fraud.

6. If subscribers pay in advance they are bound to give notice at the expiration of the time if they do not wish to continue taking it, otherwise the publisher is authorized to send it and the subscribers are responsible until an express notice is sent to the publisher.

7. The latest postal laws are such that newspaper publishers can arrest anyone for fraud who takes a paper and refuses to pay for it.

Under the law, the man who allows his subscription to run along for some time unpaid and then orders the postmaster to mark it "Refused" and have a card sent notifying the publisher, leaves himself liable to arrest and fine, the same as for theft.

If you order your paper discontinued and it continues to come, you may know that you are in arrearages and should pay up, otherwise you are held responsible for it as long as the paper is being sent to you.

Mesdames Mollie Daugherty of Hudson, Ill., and Esa McKinney, of Spout Spring, are guests of Mrs. J. E. Burgher to day.

Don't Like Lexington.

Curt Jett doesn't like the Lexington jail and has requested that he be sent elsewhere. His request has been granted, and he will probably go to Maysville.

A Charlton, Iowa, paper tells of a man who mortgaged his farm to buy his wife a pair of diamond earrings. The wife took in washing to pay the interest on the mortgage, but the first job she lost one of the "sparks" in the suds, whereupon she tried to hang herself in the barn, but the rope broke and she fell on a Jersey cow worth \$150 and broke its back. Her husband undertook to shoot the cow to end its misery, but the gun burst and destroyed his eyes and his wife ran away with a lightning rod peddler. The mortgage is still on the farm.

See notice of Public Sale of stock in this issue, and attend same.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangements of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c. at Swann-Day Libr. Co's. store.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

SPOUT SPRING.

J. W. McKinney came up Tuesday.

Sorgum making has begun in this section, and the crop is very light.

Jas. A. Fox, of Winchester, came up Tuesday on a business mission.

Several from this place attended the Democratic rally at Mt. Sterling Monday.

Thos. S. McKinney is still the busiest man in the country, running several teams marketing his timber.

Mrs. Mollie Daugherty, of Hudson, Illinois, is here visiting her brothers, Messrs. D. and Thos. S. McKinney and other relatives.

Everett Barnett left Monday for Carlock, Ill., where he will visit relatives for a while, and where he will probably locate in the future.

Davis Barnett, who has been living in Montgomery county the past few years, has moved back to Estill. They can't stay away from a good country.

William Barnett, who has been visiting his parents and other relatives in this section the past few weeks, returned Monday to his home at Gibson City, Illinois.

Sunday is regular preaching day at the Methodist church. The new pastor Rev. Mr. Crawford, is expected to be present, and we hope to see a good congregation out as this is his first appointment.

The timber trade has grown wonderfully since spring in this section. Persons who were inclined to think all the timber is gone would think different if they could only see the large number of loaded wagons pass this place going to the station.

Stock of Goods For Sale.

I offer for sale privately my entire stock of general merchandise at Spout Spring. Good stand and good store house. A splendid opportunity for any one desiring to enter a business of this kind.

ANNOUNCEMENTS.

FOR REPRESENTATIVE.

We are authorized to announce ALBERT EASTER, of Powell county, candidate for Representative of the 73rd Legislative district composed of Estill and Powell counties, subject to the action of the Democratic party.

We are authorized to announce O. H. MACKAY, of Powell county, candidate for Representative of the 73rd Legislative district composed of Powell and Estill counties, subject to the action of the Democratic party.

The Democrats of the Seventy-third Legislative district of Kentucky are called to meet at the court houses in the counties of Estill and Powell on Saturday, the 3rd day of October, 1903, to select delegates to attend district convention for said district to be held in the town of Irvine, Ky. on Oct. 10th, 1903 for the purpose of nominating a Democratic candidate for the Legislature to be voted for at the November election, 1903, and the said district convention is hereby called to meet on the 10th of October, 1903.

CHAS. W. FRIEND,
Ch. Estill Co. Dem. Com.
W. D. JACKSON,
Ch. Powell Co. Dem. Com.

An exchange says: "We notice that Roosevelt refused to attend a banquet if Sir Thomas Lipton was invited. Every since Booker Washington condescended to eat dinner with Roosevelt he has been above himself. The next thing we know Roosevelt will be refusing to eat dinner with King Edward or Emperor William. You can't notice some people without making a fool of them, and it will only take one more dinner with Booker to ruin our President forever as far as sociability is concerned."

In this issue of the TIMES will be found the announcement of Mr. O. H. Mackey, of this county, for Representative of this the 73rd Legislative district composed of Powell and Estill counties. Mr. Mackey is a gentleman of large acquaintance in the two counties, and is quite popular where he is known. He was reared in Estill county and can carry a number of Republican votes in his old home. If nominated and elected to the office, he will make a good Legislator.

The blinding dust in Clay City has become extremely bad and almost unbearable some times. A little of that \$2,000 in the city treasury when the present council assumed control of the city affairs might have been invested in a street sprinkler. We are sure not a citizen of the town would have been dissatisfied with the deal. On with the necessities of convenience and comfort especially when we have the money to pay for them.

It is rumored that the Republicans of Powell will put up a candidate for Circuit Court Clerk against the Democratic nominee, Mogan R. Lyle. The Republican party has no more showing to elect a man to office in Powell county than they have to name the next President of the United States, but they will try. They think, perhaps, it excites us Democrats, but pshaw, it is a mere matter of amusement to beat them in Powell.

The Democrats of this Legislative district will name the next Representative for said district at Irvine Oct. 10th. County mass conventions at each court house Oct. 3rd. So far the only candidates in the field are Mr. Albert Easter and Mr. O. H. Mackey. Both of these gentlemen are well known in both counties and we believe either of them can win in November.

Frank Wyatt and Thos. Ogden, Jr. are mentioned as possible candidates for the Republican nomination for Circuit Clerk. Good men, but Morgan R. Lyle will be the next Circuit Clerk in Powell county and each of these gentlemen surely are aware of this fact. If they don't know it now they will a little later in the season.

Gov. Bradley expended good money in an effort to collect the old war claim and failed, but no one censured him for his expenditure or failure to collect the money. The administration under Beckham collected the bill of more than \$1,300,000 for 5 per cent. and the Republicans are kicking like a mule.

The Louisville Herald is being sent to a number of our Democrats in this county as campaign literature. It is doing good work for the Democratic party, as its lies are so extravagant and stupendous that even the men of its own party won't believe half what it so falsely tells for the candid truth.

Unlike some of our opponents' meeting the Democratic party has never in any of its assemblages openly indorsed or cheered the names of those indicted for murder; nor never has any member of the party or any Democratic paper took up a subscription to defend assassins.

Governor Beckham spoke Monday to 4,000 people in Mt. Sterling. The crowd was very enthusiastic, and it was a continuance of the manifestation of loyalty shown every where the admired statesman speaks.

Old Powell county is in line as usual and will roll up her usual or an increased Democratic majority in November. Every Democrat is pleased and will do his duty. There is no discord in the party this time sure.

Wealth Has Its Drawbacks.

It is recorded of Cornelius Vanderbilt that before he died he said to a friend: "I don't see what good it does me—all this money that you say is mine. I can't eat it, I can't spend it—in fact, I never saw it, and never had it in my hands for a moment. I dress no better than my private secretary and cannot eat as much as my coachman. I live in a big servant's boarding-house, am bothered to death by beggars, have dyspepsia, cannot drink champagne and most of my money is in the hands of others who use it mainly for their own benefit."

Circuit Court is in session at Mt. Sterling this week.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous service.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Cured

At 70 of Heart Disease Contracted

During Civil War—
Veteran Grateful.

Dr. Miles' Heart Cure
Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil War I contracted heart disease, and in 1896, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

LOCAL BREVITIES.

James. A. Fox, of Winchester, was here yesterday on business.

A cavein at the mud tunnel delayed trains several hours Tuesday.

The ice cream and soda water business has been chilled the past week.

Master French Ringo is visiting his mother, Mrs. F. P. Tracy at Stanton.

A forest fire has been raging in the western portion of the county this week.

Miss Muappin, of Camargo, who has been visiting Miss Annie Ringo returned home Sunday.

Mr. W. A. Hoskins visited his brother, John B. Hoskins at Mt. Sterling from Thursday until Monday.

A. C. Barnes and wife, of Panola, were guests of the former's daughter, Mrs. James Harrison, Saturday.

Mr. and Mrs. J. A. Webb, of Pittsburg, Pa., are visiting the former's parents, Elder and Mrs. J. A. Webb, Sr.

Attorney Chas. F. Spencer was down from Stanton Saturday and left a nice order for job work with the TIMES.

Mr. Samuel Ginter and two daughters, of Union Hall, were here Friday, and gave the TIMES office a brief but pleasant call.

Elder N. McIntosh filled his stand at North Bend Saturday and Sunday. A new house will be erected at this place at once.

The days and nights were of equal length Tuesday, and the days will now gradually grow shorter for the next three months.

Several of our citizens attended court at Mt. Sterling Monday and heard the speech made by the present and next governor of Kentucky.

A. W. Douglas, of Paxton, Ill., is visiting relatives in this county. He is a brother of Geo. P. Douglas, of Levee, and James Douglas, of Plum.

Miss Mauppin, of Camargo, and Miss Annie Ringo of this place, spent Thursday and Friday with the latter's sister, Mrs. F. P. Tracy at Stanton.

Lexington is to have a \$12,000 new soap factory. Attorney Chas W. Miller formerly of Estill county is one of the stockholders in the concern.

Wm. King, of Lexington, in company with uncle, E. M. King, of Sams, was in the city Monday and had his name enrolled on our increasing subscription list.

Road working is in progress in various parts of the country. We are glad to see the good work go on. They are being put in fairly good condition for the winter in some places.

We have made clubbing arrangements with the Cincinnati Daily Post by which we can send that paper daily and the TIMES both one year for \$2 00, the price of the Post alone.

The Lexington Democrat was three years old yesterday. It is the only Democratic daily in Lexington, and through adverse circumstances, has forged to the front. We congratulate editor Walton on his success.

The Republicans of the 73rd Legislative district will hold a convention at Irvine Oct. 7th to nominate a candidate for Representative. Robert Blackburn is spoken of for the nomination in case Estill doesn't put up a man.

Mr. W. H. Harrison, a Confederate veteran who has been at the Confederate Home at Pewee Valley for some months, has returned and will remain here with his children for some time. His home is on White Oak Creek, Estill county.

DIED.

The little eighteen-months-old daughter of Mr. and Mrs. M. G. Taylor died Tuesday evening with croup. Burial yesterday evening at the Eaton graveyard. The bereaved parents have the sympathy of the entire community in their sad loss.

The article in our last week's issue referring to an old day book kept by the company store at this place in the old Forge days, should have been credited to the Irvine Herald. This was one of our mistakes. We give the proper credit to all clippings and owe the Herald an apology for this intrusion.

The Proper Treatment for a Sprained Ankle.

As a rule a man will feel satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by all dealers in patent medicine.

Frank B. Russell, the well-known stave man of this city, had an article in a leading copierage journal of recent date which seemed to be highly appreciated by the publishers of the journal who recognized Mr. Russell as a man of authority on his subject.

Stomach Trouble

"I have been troubled with my stomach for the past four years," says D. L. Beach, of Clove Nook Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach try a box of these Tablets. You are certain to be pleased with the result. Price 25 cents. For sale by all dealers in patent medicine.

NOTICE!

All persons wanting photos made should come during the month of September for their work as I will leave town Oct. 1st for a short vacation. J. W. HENRY.

Ows His Life to a Neighbor's Kindness.

Mr. D. P. Daugherty, well known throughout Mercer and Summer counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all dealers in patent medicine.

A Good Man.

The Democrats of Estill county have nominated Thomas Williams for Circuit Clerk. Although the county is Republican, Mr. Williams is personally so popular that his prospects for election are very bright. He married Miss Kate Clark, of this city, a grand-daughter of Gov. James Clark.—Winchester Democrat.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all dealers in patent medicine.

Country school trustees will be elected in each district Saturday week, Oct. 3rd. This election is also very important and should not be neglected by the people. The best men of the district should be the trustees of our schools.

The Boone's Creek Association, to which Powell's Valley and Filson churches of this county belong, closed a successful meeting at Ephesus, Clark county last week. The Association will meet with the church at Kiddville next year.

His Life Saved by Chamberlain's Colic Cholera and Diarrhoea Remedy.

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says, B. T. Little, merchant, Hancock, Md. For sale by all dealers in patent medicine.

HEALTH

"I don't think we could keep house without Thedford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys

No Doctor

is necessary in the home where Thedford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Thedford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

Gentlemen—Having examined your Meat and Malt preparation, and being thoroughly acquainted with its composition and mode of manufacture, I can state that it is an efficient nerve and blood tonic. Irvine, Ky., Sept. 14, 1903.

It has been reported throughout the county by some unknown persons that I and my friends were against Jas. A. Wallace, the Republican nominee for clerk of the Estill Circuit Court. I want to say to the Republican voters of Estill county that I am for Jas. A. Wallace, the nominee, and will vote for him and do all in my power to elect him, and I now ask all my friends to do the same, as it would be injustice to me for my friends to do otherwise, and I ask that this statement be published to the world to show how I stand in the matter.
